A HOUSE RESOLUTION urging the establishment of an interim study committee on sustainable design.

Whereas, the essential aim of sustainable design is to produce places, products and services in a way that reduces use of nonrenewable resources, minimizes environmental impact, and relates people with the natural environment.

Be it resolved by the House of Representatives of the  
General Assembly of the State of Indiana:

SECTION 1. That the legislative council is urged to establish a committee to sustainable design.

SECTION 2. That the committee, if established, shall operate under the direction of the legislative council and that the committee shall issue a final report when directed to do so by the council.
